

# Biowell and AmpCoil

Dr. Korotkov is a Professor of Physics at St. Petersburg Federal Research University of Informational Technologies, Mechanics and Optics in Saint Petersburg, Russia. He is a leading scientist internationally renowned for his pioneering energy research with BioWell.

Bio-Well is a revolutionary tool based on Electro-Photonic Imaging or Gas Discharge Visualization technique (Kirlian effect) made specially for express-assessment of the energetic state of a person. Interpretation of the scans is based on Acupuncture points concept, Auyrveda and many scientific and clinical research.

## Pre and Post: one 33 minute AmpCoil session

- Produced a 3% increase in balance of the system
- An increase in energetic joules
- Balance in all digestive organs
- Balanced and harmonized the energetic field
